At **Fauquier Health**, we are committed to providing high-quality care close to home and making meaningful investments to support the overall well-being of our region. Our dedicated team is driven by our mission of *making communities healthier*,<sup>®</sup> and we aim to deliver compassionate, accessible care to all our patients and their families. We are proud to not only be a leading provider of healthcare services, but also a vital economic engine and a trusted partner for the community we call home.

With the support of Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. We look forward to serving our neighbors today and for generations to come. Thank you.

## 2024 Community Benefits

**Added 18 employed and independent providers**

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in gastroenterology, midwifery, urology, anesthesiology, emergency and family medicine, interventional radiology and maternal fetal medicine.

**Invested more than \$1 million in capital improvements**

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included gastroenterology equipment, surgical equipment, robotic surgery equipment, a new ultrasound, other imaging equipment and hospital infrastructure improvements, including air handlers, AC, flooring, etc.

**Distributed a payroll of \$56,870,260 to approximately 620 employees**

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

**Donated nearly \$21.7 million in services to those in need**

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

**Paid \$15,185,940 in taxes**

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

# Our Community Impact

Fauquier Health staff celebrated back-to-back "A" grades for quality. The hospital was named a "Top General Hospital" by The Leapfrog Group in 2024.

Community Day, which included a da Vinci demonstration robot, was a huge success, and our physicians had the opportunity to teach visitors about how the robot operates.

Fauquier Health participated in community events throughout the year, sharing information on healthy living.
